

We hope to find you all well. It is with much sadness, but to be expected, that we have made the decision to amend our program of day trips and holidays in March, you will find further updates at the bottom of this page. Like many of you this is not how we wanted to start our year!

However, news of our customers receiving their vaccine's and starting to book their adventures for the future has really lifted our spirits! It has been lovely to chat with so many of you. For those of you that are a little unsure about booking a holiday or day trip, please rest assured that your money is as safe with Masons as your journeys are. If our trips cannot go ahead we will simply give you your money back, transfer you to a different trip or retain a credit note on your account.

For the months of February and March our holiday deposits are now only £10pp, should the holiday not be able to go ahead due to COVID restrictions we will simply

refund your money, transfer to another trip or leave a credit on your account. Should the trip be able to go ahead but you don't feel ready to travel you will lose your deposit.
